

A Glance at Viatris in the UK

VIATRIS is a different kind of healthcare company, committed to empowering people in the UK to live healthier at every stage of life. We do so via, Access, Leadership and Partnership.

At Viatris, we believe in healthcare not as it is, but as it should be.

We are passionately committed to improving and transforming UK healthcare, by partnering with key stakeholders to address population health needs and inequalities

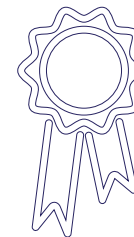

We are proud of our nearly strong team of talented and dedicated individuals, who work across three UK sites to provide access to medicines, develop innovative solutions and improve patient health
